    - iv. Discussion was held concerning cell phones in the high school classroom. We are not able to determine what type of music they are listening to. Michaeline called her son to see what his high school says about cell phones. We concurred that we are doing the same thing as far as consequences. The staff would like all high school students to not have/use their cell phones outside of their classroom.
  - f. School Improvement Plan
    - i. Demonstrated the OnStrategy program and reviewed some of the items in Tebughna's plan. It was explained that there are 31 indicators that we needed to provide information for as required by the state. All of these indicators are necessary because we are a Star 2 school.
