Dear students, this week I am going to change things up a bit. I am including hands on assignments this week. I hope you enjoy them and do your best. In addition, when you finish an assignment could you please take a picture and text it to me? My number is 907-252-1470. Thank you.

Math: Donavan, Siah, Tommy, Elijah, Noah, Cynthia, and Dakota.

1. With parent or guardian permission, and supervision, bake something that requires at least three measurements. For example, a cake, brownies, soup, or any other food you enjoy.

2. Measure the length and width of a room in your house. Calculate the area, A=LxW squared. Then calculate the cost of new flooring using the price of $2.59 a square foot. What is the total cost?

3. Find three round items in your home, a bowl, a can, or anything round, Calculate the circumference of the objects. C=diameter, x 3.14 (Pie). Remember the diameter is the line that goes all the way across the circle. Also calculate the area of the circle, A=the radius squared x pie, 3.14. Remember the radius is the line that goes half way across the circle.

   Please remember I am at school if you need help, just call me at 907-252-1470. Please take a picture of your work and text it to me. Thank you Mr.P

READING

Reading class. Dakota, Donavan, Noah, Cynthia, Aj, Tommy, Siah, and Elijah.

1. Describe two of your favorite characters in the book 11. (Noah and Elijah use the book Wonder.)
   a. Describe the characters Physical appearance. You can draw it if you like.
   b. Explain the characters personality, and how it changes throughout the book. Remember a characters personality is determined by their actions.

2. Explain your favorite part of the book so far, and why it is your favorite part. You may draw a picture of your favorite part if you want.

3. What is your favorite movie or tv show? Explain why it is your favorite, and convince someone why someone should watch it.

4. What is your favorite book? Draw your favorite scene.

5. You may choose to do either 3 or 4. You can do both for extra credit. You must do 1-2.

Please text me a picture of your work if you can. 907-252-1470

Language Arts

Students: Elijah, Siah, Tommy, Noah, Donavan, Dakota, Cynthia, Naomi, James, AJ, Rocky, Eric.

1. Write a two to three paragraph story using the words, Turtle, Mashed Potatoes, and battery. Have fun!

2. Write directions on how to do something. For example, how to make a peanut butter sandwich. How to wash and dry clothes. How to clean a carburetor, making jello, baking a cake, or anything you find interesting. Read someone the directions and see if they can accomplish the task.

3. Design your ideal bedroom and everything you would like in it.(Please be appropriate.) Draw and describe in detail your ideal bedroom.

4. Write a poem about your favorite animal, sport, or fun thing to do.

5. Please do 1-2, and you can choose to do either 3 or 4.

Please take pictures of your work and text them to me. 907-252-1470

History

Students: Dustin, Steven, Georgena, Rocky, Aj, James and Eric.

Please choose at least one of these assignments. If you do more than one you will get extra credit.

1. Watch a historic movie and write a short summary. For example, war movies, the Wild West movies, Space exploration, Civil war, Hitler, anything like that.

2. Watch the news three times this week and write a few sentences of what is going on.

3. Interview an elder about past historical events that they remember.

4. Interview an elder about Tyonek History and write a few sentences about it.

You may choose one of these assignments and text me a picture of your work. 907-252-1470 Thank you

SCIENCE

Students: Elijah, Siah, Tommy, Naomi, Cynthia, Donavon, Dakota, Noah.

Your science assignment is to go outside and observe nature. I am enclosing magnifying glasses for you to use. Try to observe as many things as you can. For example, new growth, bugs, tree buds, snow crystals, tree bark, or anything you find interesting. Please write a short description of what you observe. You should observe at least five things.

In addition, if you watch any science shows and write a few sentences of what it is about I will give you extra credit.

I hope you enjoy being outside!
