d. 100th Day Celebration (February 1st): We had fun celebrating our 100th day! We had special "100 day" glasses and bracelets to wear; had prize winners every hour; and Christy sponsored a "fill up the bag" and add clues to guess what 100 items the students brought.

e. Science and Art Fair: It was wonderful! All students in the school participated with the science fair, and next year we will also have dissections going on so the community can participate dissecting cow eyes. And Ms. Christy's class shared darling artwork!

f. ANSEP AND UNITY: We had one student (Alicia Smoke) attend ANSEP at UAA and two students (Sharon Jones and Reka Smoke) who attempted to go to Arizona for UNITY but got weathered out and needed to stay in Anchorage for the week, but still attended the native museums there.
