

March 2018 Tebughna School "Home of the Chiefs"

Dear Parents,

March is a great month! We are getting more and more sunshine. I know that we're looking forward to the longer days. But please remember, children need to get to bed at their regular bedtime, in order to be ready to learn every day.

Another important way to boost your children's ability to learn is to let them know that you support education. When he/she knows school is a top priority, it will be important to them, also.

Some of the best times with your young child may be when you share a story. Hold the book so your child can see the words and pictures while you are reading. Run your finger under the text, or point to interesting things in the illustrations.

1. Take your time and don't rush the story. Your child can tell if you're in a hurry. Reading slowly will help you read clearly--and give you and your child more time together.
2. Don't be afraid to stop reading a book if your child doesn't seem interested. Have a backup selection ready so the read-aloud can continue.
3. If your child doesn't know a word when they are reading, help them by breaking the word into smaller parts...Pronounce the word in syllables...They will then learn how to put the word together.
4. Ask your child to restate what he hears. Help by asking questions that start with who, what, when, where, and why.
5. Have your child quiz you on something he reads aloud, such as one of his schoolbooks. How much can you remember?
6. **Have fun reading together! ☺ Happy Spring, Pam Potter, Principal**

Dates to Remember

March 2nd: Dr. Seuss Celebration, 2:30 p.m.
Wear pajamas!

March 8th: Schoolwide Spelling Bee 2:15 p.m.

March 9th: End of 3rd Quarter/Inservice Day/No School
